

2020 NEF/NVRI Toxicology Internship Program Announcement

The Africa Education Initiative (NEF), Pennsylvania, USA, in collaboration with National Veterinary Research Institute (NVRI), Vom, Nigeria hereby announces exciting internship opportunities in drug development.

*NEF/NVRI is now accepting applications for our
2020 Summer Internship Program*

Internship duration: May 24, 2020 through Aug 17, 2020

Internship location: NVRI, Vom, Plateau State, Nigeria

As an intern, you will gain hands-on scientific research or technical experience by participating in structured projects guided by a mentor.

A background in a number of science disciplines prepares you for our internship program, this includes:

- Toxicology
- Biology · Medicine
- Biochemistry · Chemistry
- Veterinary Medicine · Pathology
- Pharmacology · Pharmacy

To apply, please visit www.nef3.org for application materials and details.
